Malaysian University Postgraduate Programs

About Malaysian University (OUM)

OUM established in year 2000 by a consortium of 11 public universities in Malaysia. Since its establishment, OUM is known as a private university in Malaysia that shares the same quality and competence of its other 11 public university partners. This institution holds onto the motto **"University for All"** whereby encouraging the belief on the democratisation of education and that it is made available for everyone despite of the time, place, age, and social economic background.

Recognised by the Malaysian Qualifications Agency, Public Service Department and various professional bodies, the University's programmes cover a broad range of disciplines in business and management, applied sciences, and education and social sciences.

About AI International

AI International College believe that the practice of experiential learning provides a guide to educational innovation. The process of learning from experience is ubiquitous, present in human activity everywhere, all the time. Good experiential learning combines direct experience that is meaningful to the student with guided reflection and analysis. For us, it is the learning and teaching process that defines whether a learning experience is experiential. This experience is facilitated by our state-of-the art, technology driven campus.
