LEVEL 4 & 5 – EXTENDED DIPLOMA IN HEALTH & SOCIAL CARE MANAGEMENT

Overview

The objective of the OTHM Extended Diploma in Health and Social Care Management qualification is to equip learners with the underpinning knowledge, understanding and skills required for a career or further study in the health and social care sector at a managerial level. The program enables learners to demonstrate their skills by producing evidence from their work or training activities. Learners will study level 4 and 5 units, worth 120 credits per academic year with a total credit value of 240 credits (equivalent to the first 2 years of an honors degree).
